### SPF-PFS Needs Assessment Process Reflection Questions

- **What is an accomplishment from this process?**

Learning about focus groups and discipline involved i.e. delivery, facilitation, confidentiality, human rights etc., the planning and the implementation. We were able to work with new people in the community and schools and coordinate sessions successfully. Gained confidence to conduct focus groups in the future.
- **What is a lesson learned from this process?**

Recruit a third more than you need to make for a lively conversation.
- **What is something that surprised you?**

Youth attitude of casual use being acceptable. Adult lack of knowledge of laws.
